EXPERIENCE

AKM STUDIO WEB DEVELOPMENT INTERN

Sep 2024 – Nov 2024 | Kolkata, West Bengal

- Designed and developed a dynamic photography portfolio website using the MERN stack (MongoDB, Express.js, React.js, Node.js) to showcase photography projects and client portfolios .
- It was built using RESTful APIs with Express.js and Node.js for efficient back-end functionality, enabling seamless content management and data handling.
- Cloudinary for photo uploads and storage, enabling photographers to easily upload high-quality images with optimized delivery performance.
- Implemented authentication and role-based access control to manage user interactions, including photographers and clients.

PROJECTS

TALKIFY | VIDEO CONFERENCING

- Talkify is a full-stack real-time communication website with user authentication . It offers features like real-time video conferencing, audio calling and screen sharing with attractive UI using Socket.IO and WebSockets.
- Built using MERN Stack (Mongo DB, Express, React, Node.js)

ROOMZY | ROOM RENTAL MARKETPLACE

- Roomzy is a modern property rental website built using the MVC design pattern, featuring authentication and authorization for secure access. It integrates a map API to provide an interactive and intuitive experience for locating properties. With a user-friendly interface and powerful functionality.
- Built using HTML, CSS, JavaScript, Bootstrap, Express and MongoDB .

WEATHER APP | CLIMATE TRACKER

- A dynamic Weather App built using concepts of React and Node.js that provides real-time weather information for any location. The app features a sleek user interface, responsive design, and displays data such as temperature, humidity, and weather conditions with visually appealing icons and background changes based on weather. Perfect for staying updated on the go!
- Built using React, HTML and CSS

EDUCATION

JAMSHEDPUR CO-OPERATIVE COLLEGE

BACHELOR OF COMPUTER APPLICATIONS

2021-24 | Jamshedpur, Jharkhand

SKILLS

PROGRAMMING

• JAVA • JavaScript • DSA

WEB DEVELOPMENT

• React.js • Express • Node.js • HTML5
• Bootstrap • CSS3

CLOUD/DATABASE

• MongoDB • AWS

TECHNICAL SKILLS

• SDLC

TOOLS

• Git • GitHub • Canva • Postman • Render
• ChatGPT

CERTIFICATIONS

CERTIFICATE OF DSA WITH JAVA

• (Alpha Batch) through Apna College

CERTIFICATE OF FULL STACK WEB DEVELOPMENT

• (Sigma Batch) through Apna College

INTEREST

• I have currently been exploring cloud computing and i am very excited to implement it in my projects even more.
